

# Turn on the Savings with Energy-Efficient Lighting

Instant discounts on high-quality lighting solutions available now for commercial and industrial electric customers.

## It's easy – here's how:

**Confirm the project site is eligible.**

**Choose a qualifying energy-efficient lighting product.**

**Purchase the product from a participating distributor and get an instant discount at the point of sale.**

**Install the product within 90 days.**

Find participating distributors and learn more about available incentives at
